**State mailing address

It is the Court's desire to minimize the amount of time required of counsel and therefore the expense to the parties to comply with the requirements of the Court and the needs of the matter to be considered. Accordingly, if any counsel prefers that the pre-trial conference be conducted by means of conference telephone call, such counsel should contact other counsel to see if there is agreement to such effect and, if so, to contact Judge Krumm's assistant Ms. Dickenson, at (540) 434-6747 or Judge Stone's assistant, Ms. Carroll, at (540) 857-2394, as may be applicable to arrange a mutually convenient date and time for such a call.

The ground rules are as follows:

1. Except for good cause shown, such conference call for the initial pre-trial conference will be subject to the unanimous agreement of counsel and will only be available where all parties are represented by counsel.
2. Counsel must agree on which of them will be responsible to initiate the call and shall so advise the Judges' office at the time of the call.
3. Such calls, except for good cause shown and unless prior arrangements are made, will be conducted without a court reporter. Should counsel wish a record of any conference call, counsel must arrange for a court reporter.
